

Gear List for GROTTY Cub Camp

Note: This list is a guide only, weather conditions need to be taken into account for each camp. Please also keep in mind that even in the warmer weather it can get very cold at night. When camping with cubs we endeavor to sleep under canvas whenever possible.

- Pillow
- Sleeping Bag – a warm one designed for camping outdoors. A good guide is that if it has pictures on it, it is not suitable for camping
- Blanket
- Camp stretcher or mattress – a stretcher is preferable for Cubs as it gets them up off the ground

These clothes need to be “burnable” – they will come back VERY dirty and VERY worn (if at all)
